

SANKET GORAKHNATH GADGE

Project Engineer/ Manager – EPC | Turnkey Industrial Projects (Process & Mechanical)

Navi Mumbai, Maharashtra | +91 98677 73009 | sanketgadge27@gmail.com

PROFESSIONAL SUMMARY

Project Engineer (EPC) with over 9 years of experience in Engineering, Procurement & Construction projects, specializing in turnkey industrial and process engineering solutions. Strong expertise across the complete EPC lifecycle including engineering review, BOQ preparation, procurement coordination, vendor management, fabrication, QA/QC, FAT, packing & dispatch, installation, and commissioning. Proven ability to deliver projects on time while meeting quality, safety, and cost objectives.

CORE EPC & TECHNICAL SKILLS

EPC Project Execution, Turnkey Projects, Engineering Review (P&ID, GA, Isometric, 3D Models), BOQ Preparation, Material Take-Off (MTO), Vendor Coordination, Stainless Steel Fabrication, Process Skids, CIP Systems, Tanks, Piping Engineering, QA/QC, Hydro Testing, FAT, Third-Party Inspection (SGS), Packing & Dispatch, Installation & Commissioning, Project Scheduling, Client Coordination

PROFESSIONAL EXPERIENCE

Assistant Manager – Extraction Projects | Roha Dychem India Pvt. Ltd., Pune (Mar 2026 – Present)

- Managed engineering, procurement coordination, and fabrication activities for process equipment.
- Prepared BOQs, technical documentation, and execution schedules.
- Managing packing, dispatch readiness, and logistics alignment.

Project Engineer – EPC | Neologic Engineers Pvt. Ltd., Pune (Jan 2024 – Mar 2026)

- Executing EPC turnkey projects involving process skids, CIP modules, stainless steel tanks, piping systems, and valve clusters.
- Reviewing P&IDs, GA drawings, isometrics, and 3D models for compliance and constructability.
- Preparing BOQs, MTOs, and procurement inputs.
- Coordinating with vendors, fabrication teams, QA/QC, and planning departments.
- Supervising SS fabrication, welding, hydro testing, inspections, and FAT.

- Managing packing, dispatch readiness, and logistics alignment.
- Supporting site installation, erection supervision, and commissioning activities.

Senior Process Engineer – EPC Projects | GEA Process Engineering, Vadodara (Dec 2020 – Jan 2024)

- Executed multiple EPC capital projects in evaporation systems, spray drying plants, powder processing, and membrane filtration.
- Key contributor to India's first 60 TPD PVA–VMA plant from engineering to commissioning.
- Coordinated with global engineering teams, vendors, and site execution teams.
- Supported installation, commissioning, and performance guarantee testing.

Project Engineer | Nutriti Ingredients Pvt. Ltd. (Sep 2019 – Dec 2020)

- Managed engineering, procurement coordination, and fabrication activities for process equipment.
- Prepared BOQs, technical documentation, and execution schedules.

Project Executive | Raptakos Brett & Co. Ltd. (Jun 2017 – Aug 2019)

- Supervised fabrication, installation, and commissioning of process equipment.
- Coordinated with Mechanical, Electrical & Instrumentation (MEI) teams at site.

KEY ACHIEVEMENTS

- Commissioned India's first Pillar-Make MVR Fan at KMF, Mandya.
- Delivered multiple EPC evaporation, drying, and filtration projects in India and overseas.

EDUCATION

B.Tech – Chemical Engineering, Shivaji Rao S. Jondhale College of Engineering (2017)

Diploma – Computer Engineering, MSBTE (2014)

ADDITIONAL INFORMATION

Languages: English, Hindi, Marathi

Nationality: Indian

Marital Status: Married

Extra-Curricular: Represented Maharashtra at National Level Kabaddi
