

Mohd Ashraf

Mechanical Engineer – Projects

Email: ashraf26.mohd@gmail.com 📞 +91-9890670605

Address: Sector 10, Taloja Phase-I, Navi Mumbai – 410208

PROFILE SNAPSHOT:

Mechanical Engineer with 6+ years' experience in project execution and plant maintenance. Skilled in Brownfield project planning, site safety, and resource management. Expertise in maintenance of High-speed Mixers, Sand Mills, Ball Mills, Filling Machines, TSDs & JPTs. Hands-on experience in laying & commissioning of MDPE, GI, ERW, and Copper pipelines.

EXPERIENCE:

Mechanical Engineer – Projects

Eros Elevators Pvt Ltd: Oct -25

- Handle complete elevator installation activities, including site inspections, installation, and inspection of materials.
- Review technical specifications and engineering drawings to ensure projects are executed as per plans
- Ensure installation projects are completed within the agreed time frame and budget limitations.
- Monitored contractor activities, project expenditure, and timelines, achieving zero safety incidents.
- Monitor the quality of work on-site, address technical issues, and ensure compliance with safety standards.
- Prepare and manage installation reports, Material Usage Reports (MUR), and project documentation.
- Act as a technical point of contact to understand client requirements and provide progress updates
- Monitored contractor activities, project expenditure, and timelines, achieving zero safety incidents.

Mechanical Engineer – Projects

Asian Paints PPg, Taloja

Aarvi Encon Ltd : March-24 – Oct -25

- Led Brownfield & Interim Expansion projects worth ₹130 Cr+, covering civil, structural, PEB erection, equipment installation, and utility systems.
- Reviewed PFDs, P&IDs, and BOQs, ensuring accurate cost estimation, design validation, and compliance with standards.
- Coordinated with cross-functional teams (HR, Safety, Production, Contractors) for seamless project execution.
- Monitored contractor activities, project expenditure, and timelines, achieving zero safety incidents.
- Executed tank farm erection (₹2 Cr) including 50KL & 35KL MS tanks, civil works, pumps, and piping systems.
- Managed routine plant maintenance of mixers, sand mills, ball mills, LFM, TSDs.
- Handled procurement & inventory of critical spares, reducing downtime.
- Conducted failure analysis, shutdown planning, and implemented 5S & Kaizen initiatives for continuous improvement.
